Dear Dory:

I am writing first of all to enclose your check for the two games we were rained out, and the one when you were not there.

Now I have just ordered a new set of cards for the two games we have remaining in this half of the schedule. June 15th with The Baltimore Elites, and June 26th with The Homestead Grays. Due to the fact we can play at 8.30 now, I think it may help some. Then too The Eagles have started to look better. For one thing Patterson has arrived, and Givens will be able to be with us from now on. We have won our last three league games, beat the stars in Philly Friday night 9-2, and beat The Elites last night 4-2. We have certainly looked bum in Trenton, but I think they may have snapped out of it.

You should get the cards in the next couple days. Try and get them out as soon as you can.

Let me know if there is anything I can do to help. We will have our meeting in New York June 20th, and I hope we have a good crowd on the 15th, so the teams will want to come in there the next half. Let me hear from you if anything developes.

Very Truly Yours
